

ENTECH

Authorized Service Provider

Ritter®
by MIDMARK

ENTECH is now an authorized service provider for Midmark Products, manufacturer of a wide range of medical and healthcare products.

- ⇒ Ritter automatic sterilizers
- ⇒ Power procedure tables
- ⇒ Procedure chairs
- ⇒ Exam tables
- ⇒ Lights
- ⇒ Workstations
- ⇒ Specialty stools
- ⇒ Equipment carts

Training & Education

ENTECH's technicians completed an intensive training program at Midmark's Versailles, Ohio facility that included a combination of classroom instruction as well as hands-on training on all Midmark and Ritter products.

For Service on Your Midmark Equipment

- ⇒ **Warranty repairs:** contact Midmark and you will be directed to the nearest service provider
- ⇒ **ENTECH customers in Arizona:** click on "Service Request" at www.entechbiomedical.com or call dispatch at 602-747-9081

ENTECH services and maintains a wide scope of equipment, including general biomedical, respiratory, anesthesia, medical imaging and other specialty equipment. With an expert staff of trained technicians, ENTECH has been providing clinical equipment service to major medical centers and hospitals, private practice physician offices, surgery centers and freestanding clinics throughout the Southwest for over 30 years. ENTECH is Midmark's primary authorized service provider for all hospitals and healthcare facilities in the Tucson, Arizona area.
